

1 REAGAN: UI

2 FISHER: So, the, you know, Don is clear that

3 all requests for...

4 REAGAN: Yeah.

5 FISHER: Contracts or whatever all need to be.

6 He's going to tell D'Angelo to route them all

7 through you.

8 REAGAN: Yeah, he's gonna...

9 FISHER: ...and to stop drilling me directly?

10 REAGAN: He won't, uh, you won't be having that

11 problem.

12 FISHER: Well again, it, he's, despite, I think, previous

13 conversations, he's done it anyway. You and Don are

14 on the same page, so if he calls me, I just need to

15 call you, I don't need to call Don?

16 REAGAN: You don't need to call Don. You just

17 holler at me.

18 FISHER: Okay.

19 REAGAN: Alright then.

20 FISHER: I'll let you know. I appreciate the, uh, info,

21 and I'll stay in touch.

22 REAGAN: Thank you so much, man. Give me, give

23 me a shout back on that other, on my little note there.

24 FISHER: You know, I mean, just, I just kinda put it

25 in my, you know, thing as a billing on Pecan Grove, and

**GOVERNMENT

1 uh, I know you are looking for it on Friday. I'll try
2 and, you know, again, if you needed some of it on
3 Friday, I could probably guarantee it, but if you're
4 looking for the whole thing, I can't pass it on to you
5 until I get it out of the closing. And, like I said, I,
6 I'll get my money on Friday. It's just, you know, with
7 wire notifications, etc., it may be late in the day. I
8 mean that'd probably the worst case, is you could come
9 over to the office at 5 o'clock and pick it up, but if,
10 like you needed a, you know, wire transfer or something
11 REAGAN: No, I don't need, I don't need a wire
12 transfer, you, I mean, you, you...
13 FISHER: All my checks are good, you know that.
14 REAGAN: Yeah, if you just write me a check and tell
15 me what time to pick it up, that'll help me.
16 FISHER: Okay.
17 REAGAN: And if, and if you can get it as early as in
18 the morning of Friday, that'll help me even better, Bill.
19 FISHER: You know, Don knows that, uh, D'Angelo's
20 been siccing Ra-Mill on me, Jibreel and those guys,
21 do I refer them to you too?
22 REAGAN: Absolutely, absolutely!
23 FISHER: Okay.
24 REAGAN: He, he knows. He, uh, Jibreel understands
25 where he may be able to participate. And, and you

1 know, we'll look at him, we'll look at it and see if
2 he can do, you know, some subwork.

3 FISHER: Don's up the curve, and we're not going to
4 have any problem... Sound of phone ringing. Sorry,
5 that's my wife.

6 REAGAN: Okay, man.

7 FISHER: Don is, uh, Don's up the curve. We're not
8 going to have any problem on the 9th.

9 REAGAN: No, we not... no problems at all.

10 FISHER: Our zoning case is set.

11 REAGAN: He told me that it's all good. He say, "It's,
12 it's, it's taken care of." He said he asked, he said
13 he told Suzan to get, ahh, a couple of other pictures
14 and that was it.

15 FISHER: Yeah, we got a neighbor who may, ahh,
16 pitch up, who runs a complete slum next door to us.

17 REAGAN: Yeah.

18 FISHER: Frankly, I'm surprised Code Enforcement
19 isn't out there.

20 REAGAN: Naw, it, it, it's, everything is fine. He said
21 everything is fine. Now it's ready to go.

22 FISHER: And you're keeping him happy.

23 REAGAN: Oh yeah.

24 FISHER: Alright. You do a better job than I do.

25 REAGAN: Okay, man. Call me and let me know

1 on the other thing now.

2 FISHER: Get well!

3 REAGAN: Alright. Bye bye.

4 FISHER: Thank you.

5 END OF CALL

6 FISHER: Alright. That's 9:08. That's a call I got from,

7 uh, Darren Reagan at 9:08 on the 23rd, about the

8 contracts and the three-way meeting they had between

9 D'Angelo Lee, himself, and Don Hill and Don's

10 involvement and knowledge on the contracting side.

11 This call started maybe 10 seconds late because he

12 dialed in, I put him on the speaker phone and then

13 started this recorder. Bye.
